INTRODUCING YOUR NEW NEIGHBOURHOOD

Situated in Nine Elms on the South Bank, surrounded by some of the city's most famous landmarks, it's hard to imagine a better place to be.

BEST OF BRITISH DESIGN

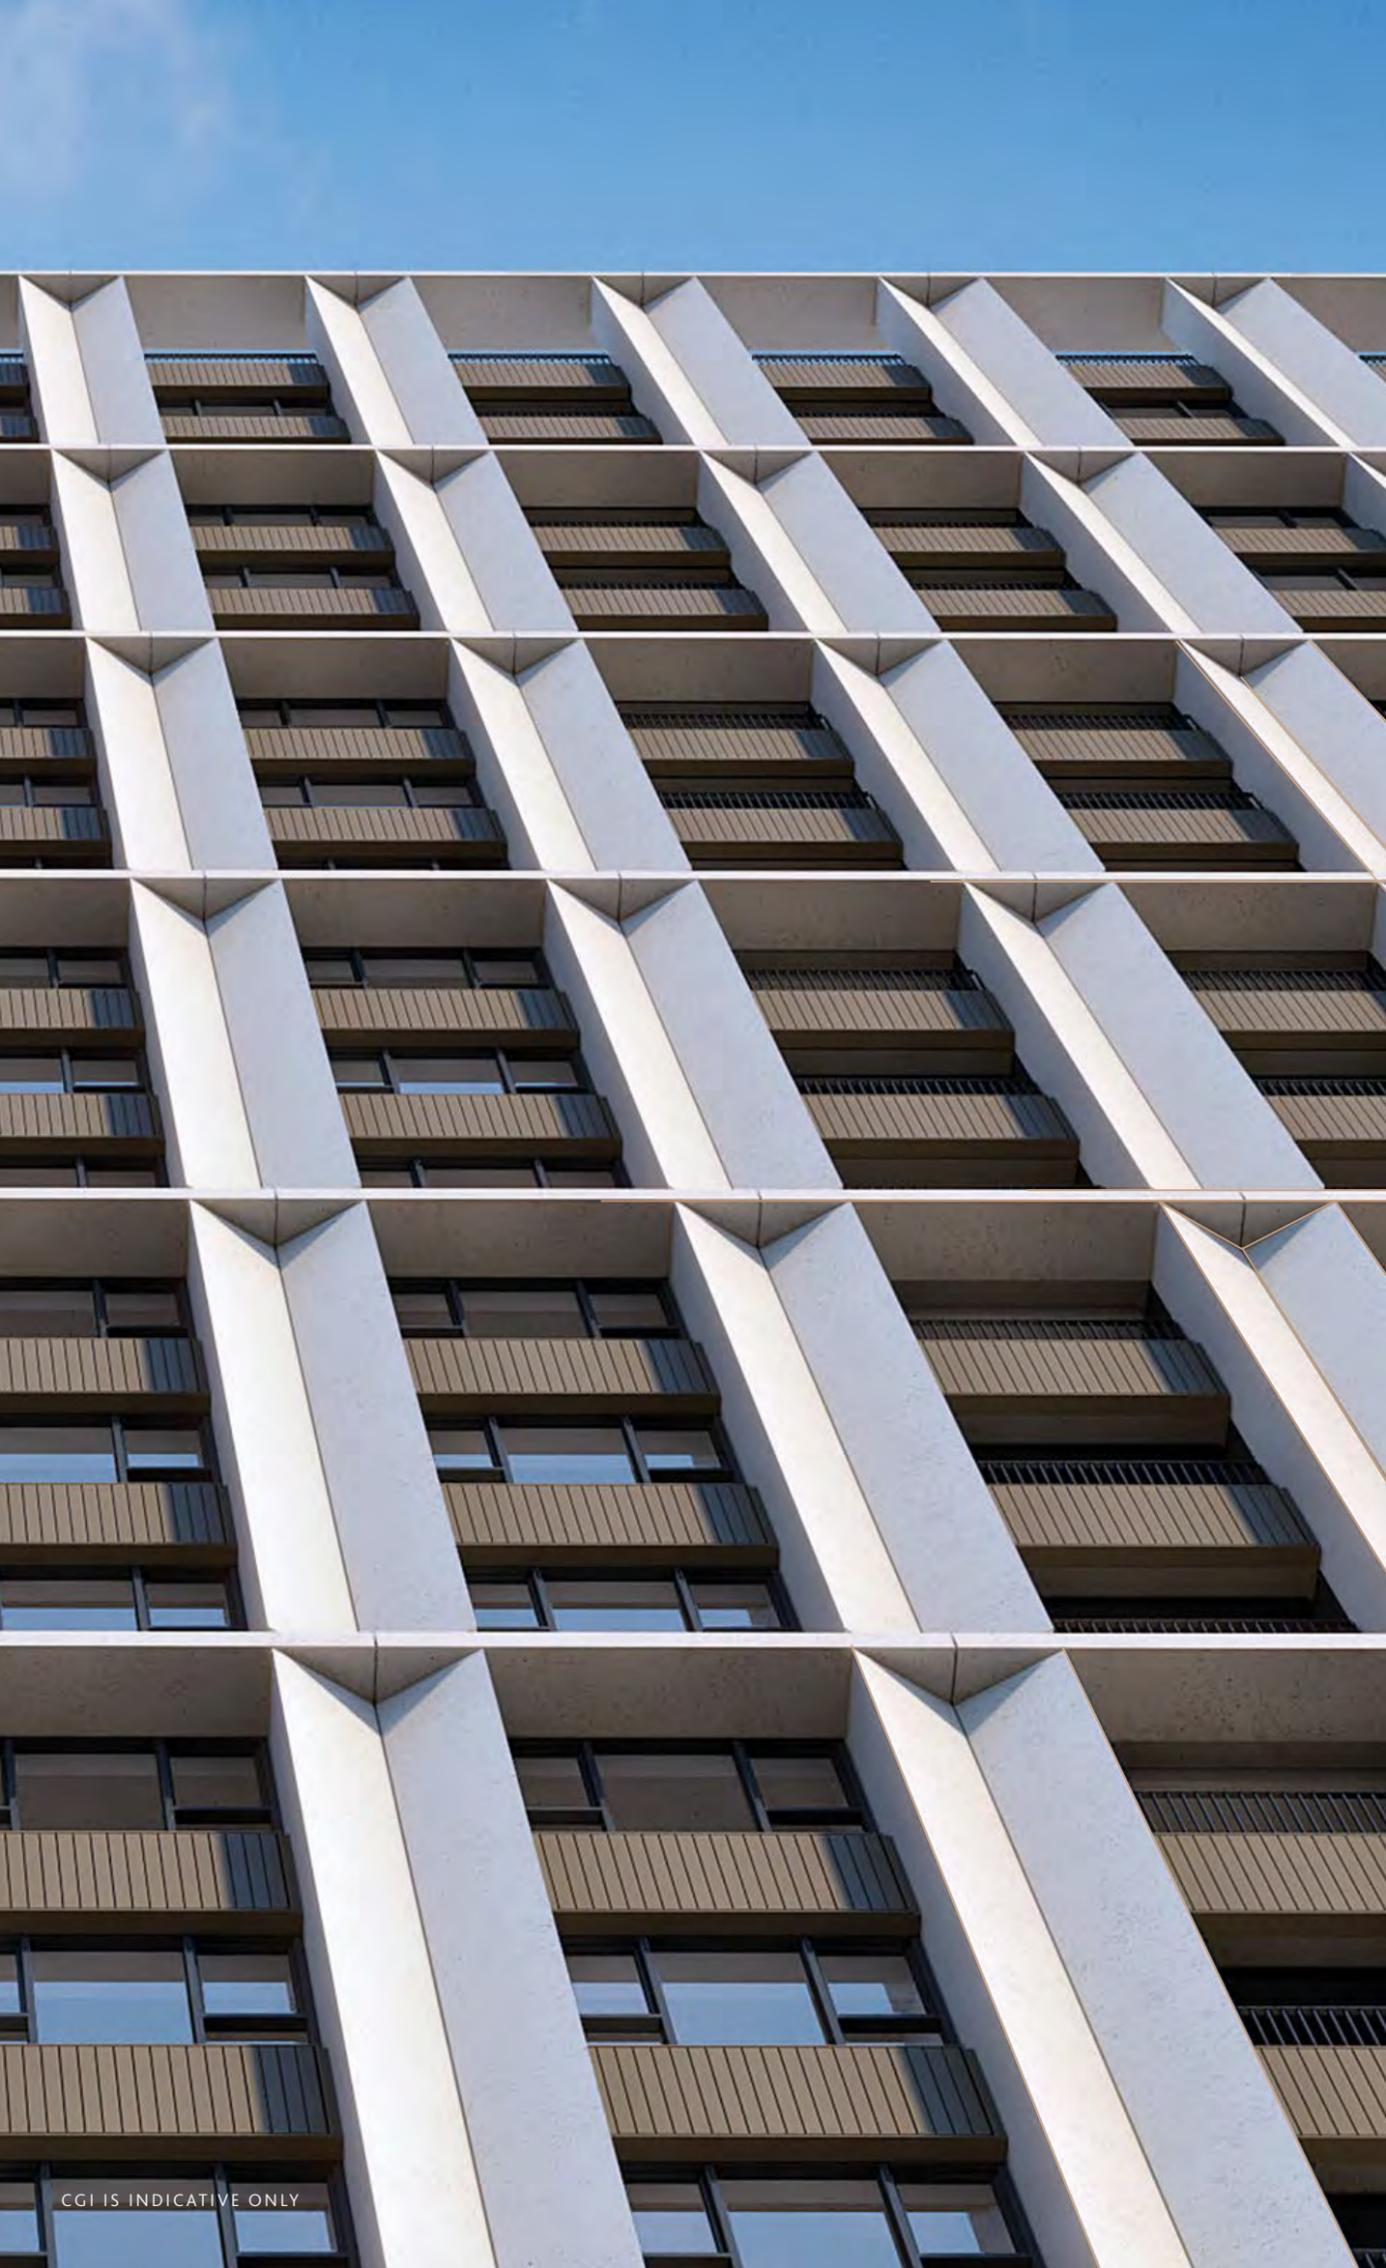

The Nine Elms area may have already seen huge changes, but the future vision is even greater.

Inspired by London's famous residential squares, London Square understands how the use of space plays a profound role in the well-being of both individuals and entire communities.

London Square Nine Elms has been designed to perfectly balance with its surroundings, putting it in the heart of carefully designed and calming parkland on your doorstep.

EXQUISITELY CRAFTED

Nine Elms Park is about more than building London's newest quarter, it's about creating a legacy that will be enjoyed for generations.

Using the most modern materials and methods, London Square Nine Elms will be an architectural landmark within Nine Elms Park that will stand the test of time in both form and function.

From foundations to finishing touches, it embodies the creativity, innovation and attention to detail that will cement the area's leading role in London's rich future.

Folded planes of white concrete and tablets of warm bronze combine to form an elegant pavilion, reflecting the special location the building occupies at the heart of the new Nine Elms Park.

A RICH HISTORY

Nine Elms gets its name from Nine Elms Lane, which was called that from around the year 1645. It is because of a row of elm trees along its border – nine, to be precise – which can now be found opposite the U.S. Embassy.

Two hundred years ago, you would have found market gardens and agriculture, with a riverfront booming with trade. Imagine an agricultural landscape of lavender, asparagus and farms, where windmills stood proud and 15th century gardens provided produce for London. This important heritage is still celebrated in the area as it is home to the New Covent Garden Market.

London Square Nine Elms will stand proud on land once owned by Royal Mail. From 1973-2012, it was the location of the Nine Elms mail centre and now forms part of the wider regeneration of the area.

A LEGACY FOR CHANGE

NINE ELMS, 1946

CONSTRUCTION WORK AT NINE ELMS

Stretching across the two Central London boroughs of Lambeth and Wandsworth and strategically positioned on the River Thames opposite Westminster, this 500-acre area on the South Bank is fast becoming one of London's most desirable postcodes.

This spectacular change has seen the U.S. Embassy choose the area as its new London base, while the transformation of Battersea Power Station into a state-of-the-art commercial space is attracting some of the world's greatest tech players, including the new Apple UK Campus. With 20,000 new homes and 25,000 new jobs in the area, this dynamic district has already started its transformation. It is a new destination that people can call home, build their businesses, or enjoy the best of London's shopping, entertainment, and culture.

Nine Elms is an area that has long been characterised by its industrial past.

Today, these textures of worn stone and steel are complemented by the clean lines and glass reflections that represent the first Central London district that has been built from the ground up, reflecting a sustainable and modern way of life.

A UNIQUE COLLABORATION

World-leading architects, developers, planners, and businesses come together to deliver a successful and innovative mixed-use district at Nine Elms. With its cutting-edge design and forward-thinking architecture, it is fast becoming a magnet for growth with opportunities to invest.

The creation of 50 acres of attractive, interesting, and popular outdoor space is central to the new area including the new park which connects all neighbourhoods. The overall vision is to reinvent the riverside area to promote healthy living and biodiversity.

Nine Elms is home to London's first new tube stations in 25 years: Nine Elms and Battersea Power Station Underground. This extension to London's tube network means both the West End and City are less than 15 minutes away.

As such, the Nine Elms area is fast becoming one of the most important districts not just in London, but the world.

FLOURISHING SURROUNDINGS

While we may thrive on the endless buzz of the city streets, we need a connection with nature to truly flourish.

Imagine a home built within a park, growing and thriving among the trees, lawns and open space. A neighbourhood where you can meet, play and experience London life organically all through individually designed landscaped areas which make up Nine Elms Park.

This 14-acre park creates a walkable and cycle-friendly corridor between Vauxhall Pleasure Gardens and Battersea Park. It creates a focal point for leisure, sports and outdoor events.

For a slight change of scenery, or for those looking for more adventure, take one of Britain's National Trails and join the Thames Path from Nine Elms Park. Explore a 185.2-mile long-distance walking trail following England's best-known river.

LONDON SQUARE

CGI IS INDICATIVE ONLY

DESIGNED FOR YOU

AT LONDON SQUARE, WE PLAN RIGHT DOWN TO THE FINEST DETAIL TO ENSURE THAT YOU FIND THE HOME OF YOUR DREAMS.

Benefits of buying new

NEW-BUILD PROPERTIES COME WITH A PROMISE – YOU CAN MOVE STRAIGHT IN AND IMMEDIATELY RELAX IN YOUR HOME. NO STRESS OR COSTLY RENOVATION TO WORRY ABOUT.

AWARD-WINNING CUSTOMER SERVICE

Our dedicated sales and customer care teams are here to help and guide you through every step of your purchase. Our customer service excellence has been recognised with a number of prestigious awards, including the 2022 In-House Research gold award, which is based on customers' recommendations. If you require extra assistance our sales team will be happy to help.

10-YEAR WARRANTY

All our homes carry the reassurance of a 10-year NHBC warranty that protects our customers should their new property develop any defects arising from construction. We also add our own 2-year London Square Customer Care Warranty which ensures that should anything break down as the result of a defect, the cost of repair/replacement is covered.

HIGH QUALITY BUILD

Quality is built into the very fabric of our homes, so you can buy with complete confidence. From the selection of construction materials to the external and internal finishes, we use only high-quality products provided by our trusted supply chain and fitted by skilled craftspeople.

SECURITY & PEACE OF MIND

When you buy a London Square home off-plan, you can be assured that the finished product will meet our very high standards in every aspect of the build and finish. All appliances, fixtures and fittings are in perfect working order from day one.

ENERGY EFFICIENT

Your new home complies with all the most up-to-date building regulations for sustainability, insulation and energy efficiency. Our properties' minimum EPC ratings of B, with many achieving A, help keep you warmer and your bills lower. All fitted appliances, including fridge/freezers and dishwashers, are A-rated to help reduce energy and water usage.

COMMUNITY AND HERITAGE

Creating sustainable communities where people thrive is core to our operations. We develop places that are a pleasure to live in, with homes set in beautifully landscaped and biodiverse grounds. We always ensure our developments are well integrated into the wider local community and enjoy excellent transport links, services and facilities.

MANAGEMENT COMPANY CHARTER

Our mission is to make a difference to people's lives which continues once residents have moved in. The Management Company oversees the communal and estate areas across every London Square development, with an appointed managing agent to assist on its behalf.

LONDON
SQUARE

WE ARE LONDON SQUARE MAKING LONDON GREATER

WE ARE DEDICATED TO MAKING LONDON EVEN GREATER. FOUNDED IN 2010, OUR NAME WAS INSPIRED BY THE ETHOS OF LONDON'S FAMOUS SQUARES – LANDMARKS RENOWNED FOR THEIR LEGACY AND COMMUNITY.

Respecting the past and inspired by the future, we are committed to providing exceptional properties with our innovative approach to design, build and customer service, winning awards across the industry and making places where people really want to live.

We are proud to be at the heart of delivering much-needed new homes and communities – revitalising forgotten, neglected corners of Greater London and beyond in key commuter locations. Our sites are in well-connected districts, close to good transport links and local amenities. They range from apartments for first-time buyers to smart family homes, from grand restorations and conversions to contemporary, destination developments.

Our customers inspire every part of our process, they determine where we build, how we build and, above all, why we build. Every home encompasses inspiring architecture, clever design and specification and the highest standards of energy efficiency.

Creating a sense of place is embedded in every London Square development, with attractive landscaped gardens and open spaces, often with new shops and offices, redefining and helping to transform neighbourhoods and contribute to the local economy.

We work with existing residents, schools and businesses to make our developments part of the local fabric, encouraging thriving communities to flourish to make a positive difference to people's lives – embodying the spirit of London Square.

Adam Lawrence – Chief Executive

WHEN I LAUNCHED LONDON SQUARE, I SET OUT TO CREATE A COMPANY WITH STRONG VALUES EXEMPLIFYING WHAT I CALL 'OLD SCHOOL PRINCIPLES': A COMPANY WITH EXACTING DISCIPLINES AND THE HIGHEST OF STANDARDS.

My inspiration was London's beautiful squares, created by the great architects. I wanted to reflect the sense of community created over the centuries by these prized green pockets, fringed by homes where people choose to live.

More than a decade of development has given the company our own heritage of over 20 award-winning schemes and more than 50 glittering prizes for delivering exceptional homes and bringing communities together across Greater London.

We are proud to announce that our latest development to launch is set to create a legacy that will be enjoyed for generations. London Square Nine Elms is the capital's smartest new address, with 186 exquisitely crafted apartments over 23 storeys in a stunning six-sided bronze-panelled landmark building set in landscaped parkland, and designed by world-class Allies & Morrison Architects.

This new neighbourhood is part of London's iconic Nine Elms on the South Bank, close to the US Embassy and the Thames, and a new 14-acre park for walking and cycling between Vauxhall Pleasure Gardens and Battersea Park.

With excellent tube and riverboat connections, and a short distance from Westminster, the West End and newly transformed Battersea Power Station, London Square Nine Elms is perfectly positioned to experience the very best the capital has to offer – from Michelin star restaurants, cafes, and the retail heart of Bond Street, Knightsbridge and the West End, to arts and cultural attractions and globally renowned universities.

Reflecting our ethos of creating homes for everyone, London Square Nine Elms will also encompass a series of stylish buildings featuring high-quality homes for private rent through our operator partner Moda Living, plus affordable homes for sale and to rent.

When I look at a map of the capital and its commuter belt across Surrey, Hertfordshire, Kent and Essex – there is now a little bit of London Square in most boroughs – and that makes me very proud.

SOCIAL

We focus our efforts on building sustainable communities as they are at the heart of who we are and what we do.

We are an Outstanding Employer, having been recognised for our industry-leading employee engagement score in 2021 and 2022. We are also proud to be a Living Wage Employer and accredited with the Greater London Authority's good work standard.

Communities

We will keep building sustainable communities where people can live, work, learn and play.

Inclusion

We will continue to be an inclusive employer of choice and create developments that foster inclusion in the community.

Employment

We will remain an outstanding employer that people want to work for.

ENVIRONMENT

Our environmental approach focuses heavily on ways we can reduce our impact on climate change and the pressures that modern methods of construction can put on the earth, nature and precious resources.

We continue to innovate in order to secure a sustainable future for all.

Carbon

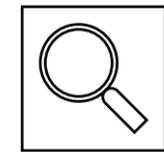

We will work to build net zero carbon homes by 2030, decreasing our greenhouse gas emissions year on year.

Waste

We will continually strive to reduce, re-use and recycle, recycling a minimum of 98% of our construction waste.

Natural resources & biodiversity

We will continue to source materials with the least environmental impact, reduce water consumption and increase biodiversity.

GOVERNANCE

We know we have work to do to increase the diversity of our Executive Board. However, the Board is supported by a strong team, with a higher than industry average representation of female and BAME employees and we are committed to increasing the diversity of our team.

We continue to recruit for talent and skills, without bias.

Corporate governance

We will continue to be well governed and do business in a clear and transparent manner.

Business ethics

We will continue treating our suppliers and customers fairly.

Reporting

We will continue to pay fair taxes.
